

## Group Eleven Announces Upsize of Bought Deal Private Placement to C\$10.4M

*Not for distribution to United States newswire services or for dissemination in the United States. Not an offer of securities for sale in the United States*

**VANCOUVER, CANADA – March 4, 2026** – Group Eleven Resources Corp. (TSX.V: ZNG; OTCQB: GRLVF; FRA: 3GE) (“**Group Eleven**” or the “**Company**”) is pleased to announce that as a result of strong investor demand, the Company has entered into an agreement with ATB Cormark Capital Markets, as lead underwriter, on behalf of a syndicate of underwriters (collectively, the “**Underwriters**”) to increase the size of its previously announced “bought deal” private placement. The Company will now issue 11,595,000 common shares of the Company (the “**Shares**”) at a price of C\$0.90 per Share (the “**Issue Price**”) for aggregate gross proceeds of C\$10,435,500 (the “**Offering**”).

The Company has granted the Underwriters an option, exercisable in whole or in part, at any time prior to the closing date, to purchase up to an additional 1,739,250 Shares at the Issue Price for additional gross proceeds of up to approximately C\$1,565,325.

The Company intends to use the net proceeds from the Offering will be used to fund exploration drilling at Ballywire and Stonepark, and for working capital and general corporate purposes, as described further in the Offering Document (as defined below).

The Common Shares will be offered pursuant to Part 5A of National Instrument 45-106 – *Prospectus Exemptions*, as amended by Coordinated Blanket Order 45-935 – *Exemptions from Certain Conditions of the Listed Issuer Financing Exemption* (the “**Listed Issuer Financing Exemption**”) to purchasers in each of the provinces of Canada. The Underwriters will also be entitled to offer the Common Shares for sale in the United States pursuant to available exemptions from the registration requirements of the *United States Securities Act of 1933*, as amended, and in certain other jurisdictions outside of Canada and the United States provided it is understood that no prospectus filing or comparable obligation, ongoing reporting requirement or requisite regulatory or governmental approval arises in such other jurisdictions. The Common Shares issued under the Offering to Canadian subscribers will not be subject to a hold period in Canada.

The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended, or any U.S. state securities laws, and may not be offered or sold in the United States absent registration or available exemptions from such registration requirements. This news release does not constitute an offer to acquire securities in any jurisdiction.

In addition to and concurrent with the Offering, the Company will be offering on a non-brokered basis, the number of Common Shares, on the same or substantially same terms as the Offering, to its pre-existing shareholder, Glencore Canada Corporation, to allow such shareholder to exercise its participation right and maintain its 13.6% ownership interest in the Company (the “**Non-Brokered Offering**”). No commission or other fees will be paid to the Underwriters in connection with the Non-Brokered Offering.

There is an amended and restated offering document (the “**Amended Offering Document**”) related to the Offering that can be accessed under the Company’s issuer profile at [www.sedarplus.ca](http://www.sedarplus.ca) and the Company’s website at <https://groupeelevenresources.com>. Prospective investors of Shares issued under the Listed

Issuer Financing Exemption should read the Amended Offering Document before making an investment decision.

The Offering is expected to close on or about March 11, 2026, or on such other date as may be agreed to by the Company and the Underwriters, subject to compliance with applicable securities laws (the “**Closing Date**”). Notwithstanding the foregoing, the closing must occur no later than the 45th day following the date of this news release.

The completion of the Offering is subject to customary conditions, including, but not limited to, the negotiation of an underwriting agreement between the parties with respect to the Offering and the receipt of all necessary approvals, inclusive of the conditional acceptance of the TSX Venture Exchange.
